News release

Christchurch Gondola re-opening date delay

Christchurch Gondola now re-opening from 3 July

After a planned re-opening date of 1 July for the Christchurch Gondola, the re-opening date has now been delayed until Friday 3 July.

The strong winds forecast on 1 and 2 July exceed the Christchurch Gondola's safe operating levels and will mean that the Gondola cannot operate. The team will focus on getting the complex ready on 30 June and hope to be able to access the summit on Thursday afternoon to complete any outstanding tasks ready for re-opening the following day.

A message detailing the new re-opening date will be posted on the Christchurch Gondola website and social media accounts, and our 50% discount re-opening offer off adult Gondola tickets for the first 20 people through the doors will now apply on 3 July.

The Christchurch Gondola looks forward to welcoming guests on Friday 3 July.
