Christchurch Attractions' Christmas Appeal 2022

Christchurch Attractions supporting Christchurch City Mission

Christchurch Attractions are once again supporting the Christchurch City Mission to bring some festive cheer to Christchurch people in need this Christmas for a fourth consecutive year.

Christchurch Attractions CEO Sue Sullivan says, "we recognize that Christmas can be a difficult time for many families struggling to provide food and the basics for their whānau, and that many more people are facing difficulties after the challenges of the previous few years. We are proud to be collecting for the Christchurch City Mission for another year to ensure that families receive the assistance they need during the festive season."

In return for donations of goods to the value of \$20, Christchurch Attractions will provide the donor with a complimentary \$30 Christchurch Tram ticket to explore the many highlights of the city centre.

The Christmas Tram along with Santa's helpers will be parked in Cathedral Square at the Tram Stop on Monday 19 December from 10 am until 3 pm to collect items required by the Christchurch City Mission and exchange these for a Christchurch Tram ticket.

Donations can include perishable and nonperishable goods such as hams, chicken, pasta, pavlovas, canned food, cereals, chocolates, biscuits and chips. Toiletries including shampoo, conditioner, soap, toothpaste and toothbrushes, socks and underwear would also be appreciated.

"We look forward to seeing the local community join us in Cathedral Square to make a difference to people's Christmas through the work of the Christchurch City Mission", she says.
